Preface.....	3
D. G. Pike: Introduction.....	7
D. G. Pike, G. A. Víkingsson, Th. Gunnlaugsson and N. Øien: A note on the distribution and abundance of blue whales (<i>Balaenoptera musculus</i>) in the Central and Northeast North Atlantic	19
N. Øien: Distribution and abundance of large whales in Norwegian and adjacent waters based on ship surveys 1995-2001	31
G. A. Víkingsson, D. G. Pike, G. Desportes, N. Øien, Th. Gunnlaugsson and D. Bloch: Distribution and abundance of fin whales (<i>Balaenoptera physalus</i>) in the Northeast and Central Atlantic as inferred from the North Atlantic Sightings Surveys 1987-2001.....	49
Th. Gunnlaugsson, G. A. Víkingsson and D. G. Pike: Combined line-transect and cue-count estimate of sperm whale abundance in the North Atlantic, from Icelandic NASS-2001 shipboard survey	73
D. G. Pike, Th. Gunnlaugsson, G. A. Víkingsson, G. Desportes and D. Bloch: Estimates of the abundance of minke whales (<i>Balaenoptera acutorostrata</i>) from Faroese and Icelandic NASS shipboard surveys.....	81
D. L. Borchers, D. G. Pike, Th. Gunnlaugsson and G. A. Víkingsson: Minke whale abundance estimation from the NASS 1987 and 2001 aerial cue-counting surveys taking appropriate account of distance estimation errors	95
L. Witting and D. G. Pike: Distance estimation experiment for aerial minke whale surveys	111
D. G. Pike, C. G. M. Paxton, Th. Gunnlaugsson and G. A. Víkingsson: Trends in the distribution and abundance of cetaceans from aerial surveys in Icelandic coastal waters, 1986-2001.....	117
C. G. M. Paxton, M. L. Burt, S. L. Hedley, G. A. Víkingsson, Th. Gunnlaugsson and G. Desportes: Density surface fitting to estimate the abundance of humpback whales based on the NASS-95 and NASS-2001 aerial and shipboard surveys	143
T. D. Smith and D. G. Pike: The enigmatic whale: the North Atlantic humpback	161
M. Skern-Mauritzen, H. J. Skaug and N. Øien: Line transects, environmental data and GIS: Cetacean distribution, habitat and prey selection along the Barents Sea shelf edge	179
A. Cañadas, G. P. Donovan, G. Desportes and D. L. Borchers: A short review of the distribution of short-beaked common dolphins (<i>Delphinus delphis</i>) in the central and eastern North Atlantic with an abundance estimate for part of this area.....	201
T. D. Smith: Encountering whales: How encounter rates became the basis for managing whaling	221
